  The right sidebar will display the due date, and a timer that shows the running time and counts down until time expires.
Important: The browser will display a notification banner if you are not able to complete the exam in the full allotted time period. For example, if a 120-minute exam is available until 6:00 pm and you started at 5:00 pm, you will only have 60 minutes to complete the exam.

Your exam will auto-submit when the time is up even if you did not click the Submit button. You will be warned 30 min prior, 5 minutes prior, 1 minute prior, and 10 seconds prior to auto submit.
